### **RULES OF ORDER: PROCEDURES**

#### ***TO OBTAIN THE FLOOR***

- Wait until the last speaker has finished.
- Address the chairperson by saying, “Mister/Madam Chair.”
- Wait until the chairperson recognizes you.

#### ***MAKE YOUR MOTION***

- Speak in a clear and concise manner.
- Always state a motion affirmatively. Say, “I move that we...” rather than “I move that we do not...”
- Stick to your motion at this point.

#### ***SECOND***

- Another member will second your motion or the chairperson will call for a second
- If there is no second to your motion, it is lost.

#### ***CHAIRPERSON STATES THE MOTION***

- The chairperson will say “It has been moved and seconded that we...” (he may ask the secretary to read back the motion), thus placing your motion before the membership for consideration and action.
- The membership either debates your motion, or may move directly to a vote.
- Once your motion is presented to the membership by the chairperson, it becomes “assembly property” and cannot be changed by you without the agreement of the seconder and general consent of the members.

#### ***EXPANDING ON YOUR MOTION***

- This is the time for you to speak in favor of your motion, rather than at the time you present it.
- The mover is always allowed to speak first.
- All comments and discussion should be directed to the chairperson.
- Make your comment in a timely manner.
- The mover may speak again only after other speakers are finished unless called upon by the chairperson.

#### ***PUTTING THE QUESTION TO THE MEMBERSHIP***

- The chairperson asks, “Are you ready to vote on the question?”
- If there is no more discussion, consensus is achieved or a vote is taken.

### RULES OF DECORUM: *General Respect*

- Show respect. Respect means "To feel or show honor or esteem for someone or something; to consider the wellbeing of, or to treat someone or something with deference or courtesy". Showing respect is a basic law of life.
- Never speak about others in a negative way, whether they are present or not.
- Listen with courtesy to what others say, even if you don't agree with them. Listen with your heart.
- Respect the wisdom of the people on the commission. Once you give an idea to a commission meeting it no longer belongs to you. It belongs to the people. Respect demands that you listen intently to the ideas of others on the commission and that you do not insist that your idea prevail. Indeed you should freely support the ideas of others if they are true and good, even if those ideas are quite different from the ones you have contributed. The clash of ideas brings forth the Spark of Truth.
- Once the commission has decided something in general consensus, respect demands that no one speak secretly against what has been decided. If the commission has made an error, that error will become apparent to everyone in its own time.
